YOUTH AGAINST TRAFFICKING CLUB (YATC), Darjeeling Government College

Academic Session: 2018-19

Youth Against Trafficking Club of Darjeeling Government College in collaboration with Mankind in Action for Rural Growth (MARG) Darjeeling was formally formed with an awareness program on human trafficking and child sexual abuse on the 12th of July 2018. In this awareness program in our college, students were provided about the awareness on human

trafficking with various examples from local level. Member of the MARG were present in this programme.

World Day against Trafficking in Persons is observed annually on July 30th 2019 and MBKS Trust observed this important day with MARG Darjeeling. MARG assisted and conducted a quiz titled 'Mukti Quiz' at GDNS Hall for schools and college students alike to spread awareness on trafficking, related legislation and statutes. The students of Darjeeling Government College participated in this programme with full enthesitis. All together seven

schools and six colleges participated in the quiz. Mr. Rahul A. Pradhan, GS, MBKS Trust, was the quizmaster of the day.

The programme was started with seven schools competing for the ever MUKTI QUIZ school level trophy. After gruelling three rounds of hardcore quizzing, the all girls team from Loreto Convent, Darjeeling were crowned the champions with Gyanoday Niketan coming second and Notre Dame Academy third.

In the afternoon session, six colleges competed for the MUKTI QUIZ college level championship. All the teams were outstanding and very few points separated the winner from the rest of the pack. The team from Darjeeling Government College were the champions with Salesian College Sonada coming second and Southfield College third.

Mr. Nirnay John Chettri, GS, MARG Darjeeling summed up the celebration for us. People trafficking and modern day slavery is a massive worldwide problem with very few countries immune to human trafficking, and the event by the United Nations is to raise awareness and increase prevention of that. Thousands of men, women and children end up in the hands of traffickers every year, often through being tricked and misled to believe that they are being taken to work that will make their family better off, or through force, kidnap, or even through very poor families selling children in order to survive.

Therefore, on the 2019 World Day UNODC focused on highlighting the importance of Government action in the interest of victims of trafficking. But the call to action is not only to Governments, we encourage everyone to take action to prevent this heinous crime.
