## IT facilities in the college

Darjeeling Government College has one broadband connection running at the office of the principal with 30-50 MBPS with the scheme of monthly unlimited data. The broadband connection that is used in the institute is Broadband. The broadband connection is Wi/Fi enabled in the office and office of the principal. All the departments are equipped with computers and printers. Further, some of the departments are equipped with LCD projector facilities. The regular maintenance and upgradation of computers and related accessories is done by the local vendor as and when required. The website of the institute is regularly updated to provide necessary notification of the admission, examination events, feedback, etc in regard to this, the institute has formed a committee known as the College website maintenance committee for the smooth functioning of the college website.
